Entertainment

Greenway Takeover Festival

Together, we can make our great community even stronger thru music and art. We are using the beautiful Greenway in a new and exciting way and by bringing people outside to appreciate the backdrop of the Red River, we are making Grand Forks a better place to live and work. We are also giving local talent a national stage to perform on, as all talent starts somewhere and what better way to give our youth the chance of a lifetime. Your support can give so much more to Greater Grand Forks, together, we can make this annual event an event to remember.

Please join us and become a sponsor of the Greenway Takeover Festival.
